International Internship program for Indian Students at Taiwan Universities in association with Ghadai Technology Pvt. Ltd.

How to apply for internship program?

- Students can visit <https://ghadai.com/service/international-internship-for-indian-students/> to download the application form online, and send their resumes and filled application form at intern@ghadai.com. Students can also check the guidelines for complete application process by clicking on the guidelines link on the page.
- On receipt of resume and filled application form, Ghadai Technology will send the acknowledgment mail to student with bank details.
- Student need to transfer Rs. 10000/- plus tax to Ghadai Technology in the respective bank account and send the payment acknowledgement receipt for further processing of application. Taxes will be applicable as per government regulations.
- On receipt of payment, student will get the new user id of ghadai.com domain with credentials for further communication with Ghadai Technology as well as with Taiwan University. Student will also get the invoice of payment done.
- Application screening will be done at Ghadai Technology at preliminary level and the selected applications will be sent to Taiwan universities. Based on application selection from the university, student will get the mail from university directly and the copy of same will be received by Ghadai Technology. Ghadai team will also contact student for reminder for interview schedule. Students will be intimated by university as well as by Ghadai regarding their selection/rejection on the basis of their interview OR in case of written exam results (based on university eligibility criteria).

Processing Charges

Total Processing Charges to be paid to Ghadai Technology: **Rs. 60000/- plus taxes.** (Taxes will be applicable as per government regulations.)

Once the candidate is selected by Taiwan University for internship program, student has to transfer the balance amount of total processing fee to Ghadai Technology account. Afterwards the onboarding process of student will start and Ghadai Technology will assist in the entire process of arranging accommodation, travel and visa assistance etc till the student reaches Taiwan and take hostel possession.

Only Ghadai Technology processing fee has to be paid to Ghadai Technology by student. Any other expense of travel, visa or any other personal or third party expenses has to be paid directly to third party by students.

Refund Criteria

Any student who is not able to qualify for the internship program due to rejection by Taiwan University is eligible for refund of advance processing fee of Rs. 10000/- after deduction of nominal charges of Rs. 1000/ plus GST amount - by Ghadai Technology. The actual amount refunded will be Rs. 7200/-. Tax part is non-refundable.

Student not appearing for the interview after intimation by Taiwan University and Ghadai Technology is not eligible for any refund. If any student is rejected or terminated even after selection by Taiwan University on behavioral ground or any such misconduct, processing fee is non-refundable in such cases.
